BY 2020
(higher than total
job growth)³

Tech Nation
2015

“Don’t just learn to program, learn to build things that interest you.”

Glen Pike : Senior UI Developer

Employer : Headforwards

Location : Redruth

Job Description : Senior UI Developer (User Interface)

***“I most enjoy solving problems to help people..
what I can do genuinely helps makes life easier.”***

Kevin Trebell

Software Developer

Business / Employer : SCSL Health

Location : Lanner, Cornwall

***“software is not
just about coding”***

Dan Goodwin - User Experience Director

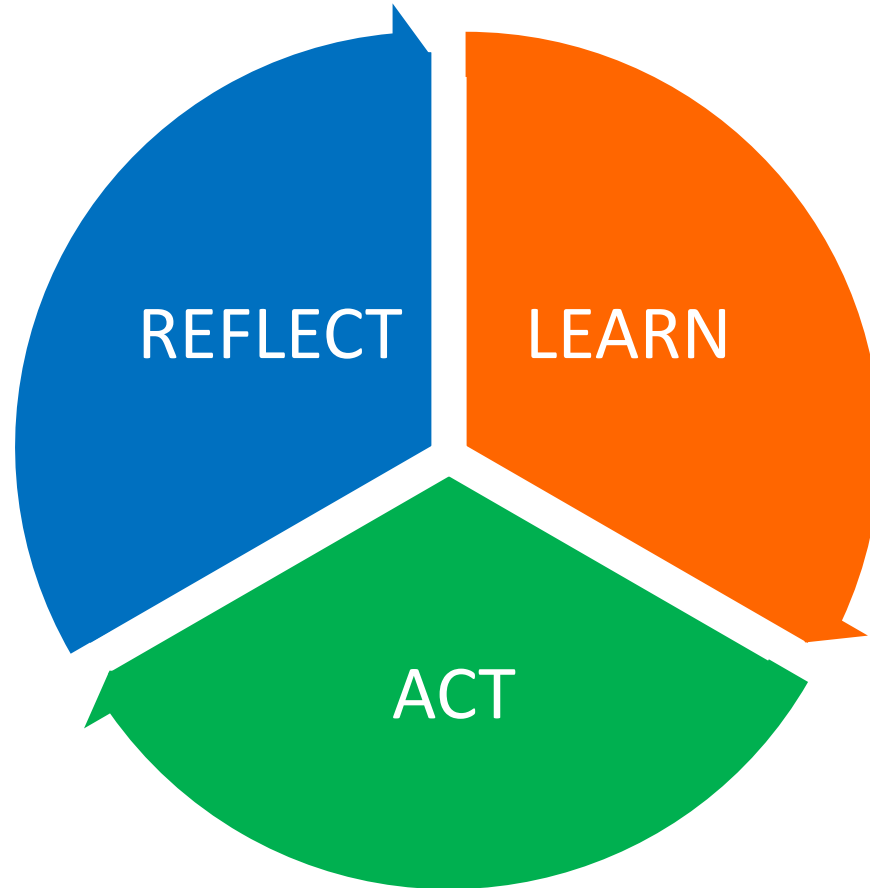

“Done right tech is one of the best careers you can have, so please come and join us – it’s a great industry & we are critically short of talent.”

Ben Evans

Independent Principle Consultant

Location : Cornwall / London / Global
